

IXL Summer Science Exploration

Grades 2–5

STEP 1

Choose **three** IXL science categories below that interest you. Be sure to pick a category from the grade you will be in this fall!

Rocks and minerals	Force and motion	Adaptations
Animals	Classification	Traits

STEP 2

Complete **one** skill from each topic you chose.

	Example	Category 1	Category 2	Category 3
Category	<i>Force and motion</i>			
Skill name	<i>G.1 Identify pushes and pulls</i>			

STEP 4

Now, choose your own science adventure! Pick an IXL science category on your own. What interests you? What do you want to learn more about? Pick **two** skills in that category and complete them.

Category	
Skill name	
Skill name	

STEP 5

Investigate the category you chose for your science adventure by going outdoors, visiting a museum, watching a documentary, or researching using books, magazines, and websites. Write a paragraph about what you learned that you didn't know before your science adventure.
