

Install the IXL Application in Schoology

1. Look for the apps waffle icon in the top navigation bar and then click on the **LMS App Center**.
2. Next to **Publisher Name**, type in IXL Learning and then click **Submit**.
3. Once you see the entry for IXL Learning, click on the IXL logo and then the **Install LTI App** button towards the top of the page.
4. Finally, select the courses that you would like to have access to IXL.

Sign-in to IXL

After installing IXL, click the IXL Learning app in your left navigation to sign in. Once installed, the quick launcher will give you the opportunity to pop into IXL's curriculum, diagnostic, analytics, and teacher resources.
