

District administrator report

How to filter the reports

Answer key questions about student achievement with the LAUSD district report aligned to personalized learning!

This report will allow you to quickly assess if schools are tracking against your goals and expectations for personalized learning.

Use the slicers to drill down to the specific data you'd like to see:

- **Subject:** Math or ELA personalized study plans
- **Week:** Show data for the selected week
- **Region:** Filter by region
- **Grade:** Filter charts by grade
- **School:** Filter by school

Subject - PLEASE MAKE ONLY ONE SELECTION
