

Logging in to IXL

Teacher's Guide

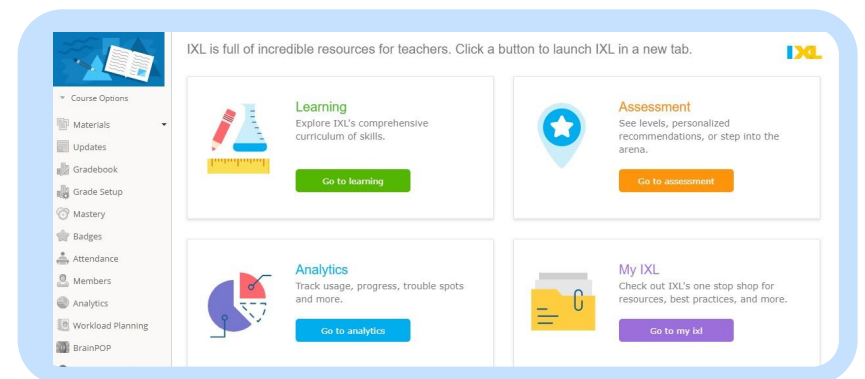

1 Log in via Schoology

- Open a browser window and log in to Schoology.
- From your course page, select IXL.
- **Note:** If IXL does not appear on your courses page, navigate to the application drop-down and select IXL to add to your courses.

2 Open IXL

- Selecting any option on IXL's quick launcher will open IXL with you automatically signed in.

3 Now, you're ready to dive in! Here are a few tips to help you get started.

- Guide your students to personalized practice based on their most recent i-Ready scores. [Learn more here!](#)
- Reinforce your lessons with IXL skills that align with your [curriculum and standards](#).
