Meet your state’s standards

QUICK-START GUIDE

- IXL practice skills are fully aligned to the Common Core and standards for all 50 states!
- Raise your students’ test scores with targeted skills for each standard.
- You can effortlessly track class and student progress with our interactive, real-time Analytics.

1 Sign in to your IXL account at www.ixl.com.

2 Indicate your state.

Select Profile & settings from your account menu to view this window.

Choose or verify your state.

Click Submit to save your changes.
3. From Learning, click on **Standards**.

The info page explains how IXL helps your class work toward your state standards goals.

- IXL is aligned to the most recent available standards for each state, with additional sets of standards available for some states.

4. Click a subject and a grade to view its standards and a complete list of skills targeted to each standard.

- Click on the name of the standards you'd like to see. The standards document you are currently viewing will have a white check mark.
- Strands are in orange.
- Standards are in black.

IXL skills aligned to each standard are in dark green. Have your class practice these skills to improve mastery of this standard.
5 Identify the skills you want your students to practice.

Hold your mouse over any skill name to view a preview of what the skill offers. 
Still not sure? Click the skill name to try it out!

Use the permanent skill ID as a search shortcut! Students can enter this three-character code in the search bar to easily find the skill.

In your students’ accounts, their SmartScore will appear next to each practiced skill, so it’s easy to find skills that need more work.

Congratulations!
Your class is now on the path toward achieving state standards mastery.
